

claims based on a community based health delivery system).

(2) Be consistent with the State's Medicaid State plan, or an approvable amendment to that plan, as required under title XIX.

(d) *Separate child health program requirements.* A State that elects to obtain health benefits coverage under its plan through a separate child health program must meet all the requirements of part 457.

(e) *Combination program requirements.* A State that elects to obtain health benefits coverage through both a separate child health program and a Medicaid expansion program must meet the requirements of paragraphs (c) and (d) of this section.

§ 457.80 Current State child health insurance coverage and coordination.

A State plan must include a description of—

(a) The extent to which, and manner in which, children in the State, including targeted low-income children and other classes of children, by income level and other relevant factors, currently have creditable health coverage (as defined in § 457.10) and, if sufficient information is available, whether the creditable health coverage they have is under public health insurance programs or health insurance programs that involve public-private partnerships;

(b) Current State efforts to provide or obtain creditable health coverage for uncovered children, including the steps the State is taking to identify and enroll all uncovered children who are eligible to participate in public health insurance programs and health insurance programs that involve public-private partnerships; and

(c) Procedures the State uses to accomplish coordination of CHIP with other public and private health insurance programs, sources of health benefits coverage for children, and relevant child health programs, such as title V, that provide health care services for low-income children. Such procedures include those designed to—

(1) Increase the number of children with creditable health coverage;

(2) Assist in the enrollment in CHIP of children determined ineligible for Medicaid; and

(3) Ensure that only eligible targeted low-income children are covered under CHIP, such as those procedures required under §§ 457.350 and 457.353, as applicable.

EFFECTIVE DATE NOTE: At 77 FR 17214, Mar. 23, 2012, § 457.80 was amended by revising paragraph (c)(3), effective Jan. 1, 2014. For the convenience of the user, the revised text is set forth as follows:

§ 457.80 Current State child health insurance coverage and coordination.

(c) * * *

(3) Ensure coordination with other insurance affordability programs in the determination of eligibility and enrollment in coverage to ensure that all eligible individuals are enrolled in the appropriate program, including through use of the procedures described in § 457.305, § 457.348 and § 457.350 of this part.

§ 457.90 Outreach.

(a) *Procedures required.* A State plan must include a description of procedures used to inform families of children likely to be eligible for child health assistance under the plan or under other public or private health coverage programs of the availability of the programs, and to assist them in enrolling their children in one of the programs.

(b) *Examples.* Outreach strategies may include but are not limited to the following:

(1) Education and awareness campaigns, including targeted mailings and information distribution through various organizations.

(2) Enrollment simplification, such as simplified or joint application forms.

(3) Application assistance, including opportunities to apply for child health assistance under the plan through community-based organizations and in combination with other benefits and services available to children.
